On the Racing Rules of Sailing, and What's New in 2021
sponsored by the Frostbite Yacht Club
CT River Squadron, Inc. & Essex Yacht Club
Sunday, February 21, 2021
2:00pm – 4:00pm

Dave Perry is well known for his enthusiastic and engaging teaching style for sailors of all ages and levels, as well as highly respected for his deep knowledge of the sport of Sailing. He is one of the sport's leading rules experts, serving on the US Sailing Appeals Committee and being the Rules Advisor for several recent America's Cup teams and the US Sailing Team at the 2008, 2012 and 2021 Olympic Games.

Dave has learned how to bring his same engaging and effective teaching style to the Zoom platform. He's excited to work with the Frostbiting sailors on the Connecticut River to help them know the rules better so they are more confident in close-quarter action at the starts and around the race course, and so they can play the game at a higher level. Dave encourages sailors who normally crew to join us because knowing the rules better will dramatically increase their racing enjoyment, and their value to their skipper.

Ask Dave is a session where Dave will explain the significant changes in the new racing rules that go into effect on January 1, 2021, and then will answer the participant's rules questions/issues for the remainder of the time.
